Sir

I have the honour to submit herewith in duplicate proposition statements for the grant of increase of pay to the market Sergeant and the Duffadar of the Bowringpet Town Municipality as shown below --

		Present Pay	Proposed	Increase
1	Market Sergeant	20/-	25/-	5/-
2	Daffadar	9/-	11/-	2/-

2 From the reports of the President, Bowringpet Municipal Council, it is seen that there has been a substantial increase in the market collections for the past four years from the year 1915-16 as compared with those of previous years which is chiefly the result of good and satisfactory work done by the market sergeant

The pay of the Municipal Daffadar has also been proposed to be increased from Rs 9/- to Rs 11/- the present scale of pay being quite inadequate to the post

3 The Municipal Council have at their meeting held on the 29th May 1920 approved of the grant of increased rate of pay to these officials

4 Under these circumstances and for reasons explained by the President in his reports No 2 and 3 dated the 5th July 1920 which are herewith submitted, for kind perusal

6

perusal and return, I request you will be so good as to obtain sanction of Government to the grant of small increases of pay recommended by the Municipal Council with effect from 1st July 1920 The extra cost involved may be met by reappropriation of grants in the Budget Estimates, of the Municipality, for the current year as proposed by the Council

The Council while reiterating their original recommendaon still hold that the small increase proposed is necessary as grant of the consolidated allowance which is only temporary would improve the status of these hard-working subordinates and that ir pay has been proposed with reference to the growing responsities devolving on them

The appointment of the Market Sergeant is no doubt a nsible one as he has to deal with the collections of the Mar Octroi which amount to over R 12 000/- Octroi 5633/-(18-19) /-(19-20 Market 6 537/-(1 -19) 7236/-(19-20) Total 12 170/-(18-19) 1/-(19-20) nually and the small increase proposed for these hard-
